

Don't Ever Go

by William Mylar

(vamp at least twice)

Amaj6 Gmaj6 G#maj6 Amaj6
Sometimes when it's too much
Amaj6 Gmaj6 G#maj6 Amaj6
Sometimes when it's bad
Amaj6 Gmaj6 G#maj6 Amaj6
Sometimes when I'm angry
Amaj6 Gmaj6 G#maj6 Amaj6
Sometimes when I'm sad
Amaj6 Gmaj6 G#maj6 Amaj6
I climb up to the treetops
Amaj6 Gmaj6 G#maj6 Amaj6
I want to scream and shout
Amaj6 Gmaj6 G#maj6 Amaj6
I look down at the world
Amaj6
See it falling all about

Chorus:

Bm
I don't want to fight
C#m
With all of my might
E A
Loving you right
F#m A
Don't Ever Go
Bm
I don't want to fight
C#m
With all of my might
E A
Loving you right
A Gmaj6 G#maj6 Amaj6
Don't Ever Go
Amaj6 Gmaj6 G#maj6 Amaj6
Don't Ever Go

Amaj6 Gmaj6 G#maj6 Amaj6
We live our lives for others
Amaj6 Gmaj6 G#maj6 Amaj6

You're with me when I feel strong
Amaj6 Gmaj6 G#maj6 Amaj6
And when I'm full of fright

Amaj6 Gmaj6 G#maj6 Amaj6
If I should ever lose you
Amaj6 Gmaj6 G#maj6 Amaj6
I'd know just what to do
Amaj6 Gmaj6 G#maj6 Amaj6
I'd have to lay down where I stand
Amaj6
My life would just be through.

Chorus:

Bm
With all of my might
C#m

Every night
E A
Loving you right
F#m A

Don't Ever Go

 Don't, don't go away, don't go away

Amaj6	Gmaj6 G#maj6 Amaj6
If others care to follow	
Amaj6	Gmaj6 G#maj6 Amaj6
I'd gladly share our song	
Amaj6	Gmaj6 G#maj6 Amaj6
There really is no right way	
Amaj6	Gmaj6 G#maj6 Amaj6
There really is no wrong	
Amaj6	Gmaj6 G#maj6 Amaj6
Just open up your heart	
Amaj6	Gmaj6 G#maj6 Amaj6
And lead it with your mind	
Amaj6	Gmaj6 G#maj6 Amaj6
The whole world is waiting	
Amaj6	
And all we have is time.
