What can I do? What can I do?

It's a New Wave baby. And like all waves it'll come. It'll go.
Frankly speakin' darlin' I see no difference from Rock and Roll.
They take a beat here and they move it there. Well I don't know.
When I was a kid, we just called that Rock and Roll.
Rock and Roll. Rock and Roll.

Folk Wave starts somewhere in my head.

Then it works it's way to my heart on to my soul.

And then I'm startin' to dance. No I can't stop. No. No. Heaven knows.
C Bm C G/C/G/C/G/C/G
Heaven knows. Heaven knows.

Well you got your doo-doo-doo-dooos and your da-da-da-da-da-da-das.
That's just an evolution of the old shoobie-do-wah.
Well Folk Wave rocks and then they roll. You knw they got to go.
Folk Wave Rock. Look out. Stop. No. Whoa, whoa, whoa, whoa. Whoa.
Whoa, whoa, whoa, whoa. Whoa, whoa, whoa, whoa.

Folk Wave starts somewhere in my head.
Then it works it's way to my heart on to my soul.
And then I'm startin' to dance. No I can't stop. No. no heaven knows.
